

## **ACTION PLAN LESSON TWO**

### **PREDICTIVE MAINTENANCE STRATEGY**

### **SELF ASSESSMENT**

1. Using the knowledge you already have about any existing PdM practices in your organization, complete the self-assessment tool.
2. Review your answers and choose three actions you think would have the biggest impact on making your maintenance operations more strategic.
  - a.
  - b.
  - c.
3. If you were the decision-maker, what are some initial actions you would take to raise awareness and commitment to a PdM program?
