

ACTION PLAN LESSON EIGHT

PREDICTIVE MAINTENANCE PROGRAM READINESS

Review your results from the 28-item **PdM Program Self-Assessment Tool** completed in Lesson Two. Use the table below to categorize your organization's readiness to launch a PdM program.

| | PdM Readiness Success Factor Criticality |
|---|---|
| ◀ | Most Important |
| ▲ | Very Important |
| ▶ | Preferred |
| ▼ | Desirable |

1. A 'Yes' response for any of the items is something already in place that should stay in place. What would you suggest are ways you can reinforce those practices and keep them front-of-mind onsite?
2. Consider the items marked 'Unsure'. Select 2-3 of the items and get more information about existing practices. (Not sure who to ask? Check with your supervisor or manager for guidance.)
 - a.
 - b.
 - c.

3. Select at least 3 items marked 'No' and describe how you would explain their purpose and value to your organization to raise awareness and engagement for a PdM program.

a.

b.

c.
